

## ***Fall 2018 - High School & College Transportation Student Career Fairs***

*The Collision Repair Education Foundation and the TechForce Foundation will be hosting transportation (**collision, auto service, heavy duty, etc.**) career fairs to help introduce students to industry employers/vendors. **Business students** will also be invited to participate at these events. These events are available to all industry members to participate.*

**Topeka, KS (10/11) - Washburn Univ. Institute of Tech**

**Concord, NC (10/18) - Axalta Coating Systems**

**Jamaica, NY (11/27) - NYADI – The College of Technology for Transportation**

**Columbus, OH (12/6) - Fort Hayes Career Center**

***Interested in participating in one (or several) of these events?***
